Re: WIPO Case No. D2005-0068/ Eventual Settlement

Dear Ms. Ballard:

Respondent has offered to transfer the domain name in this case to Complainant. Please suspend this matter for 30 days and ask the registrar to remove the lock on the domain name registration for the sole purpose of allowing Respondent to transfer this registration to American Mensa Ltd. Once the transfer is complete, we will advise you as to the status so that the matter can be terminated.

Regards,

Jason Aquilino
Attorney for Complainant
American Mensa Ltd.
