Re: WIPO Case No. D2005-0068/ MinnesotaMensa.org

Dear Ms. Ballard:

Respondent has failed to transfer the domain name to Complainant in this case. Please remove the suspension I requested on February 9, 2005, and allow this case to proceed. I would also kindly ask that you officially request that Go Daddy lock the domain name pending final resolution of this case. Thank you for your assistance.

Regards,

  
Jason Aquilino
